Water North Coalition

Vision

The group seeks to ensure, through collaboration, that sustainable water systems are available to every northern community.

Mission

Find and implement northern solutions to water sourcing and water challenges through:

- Advocacy
- Public Education
- Attraction and retention
- Training

Membership

Membership is free. Members are allotted one vote per community.

Eligible voting members include: Northern municipalities, First Nations, Metis Settlements

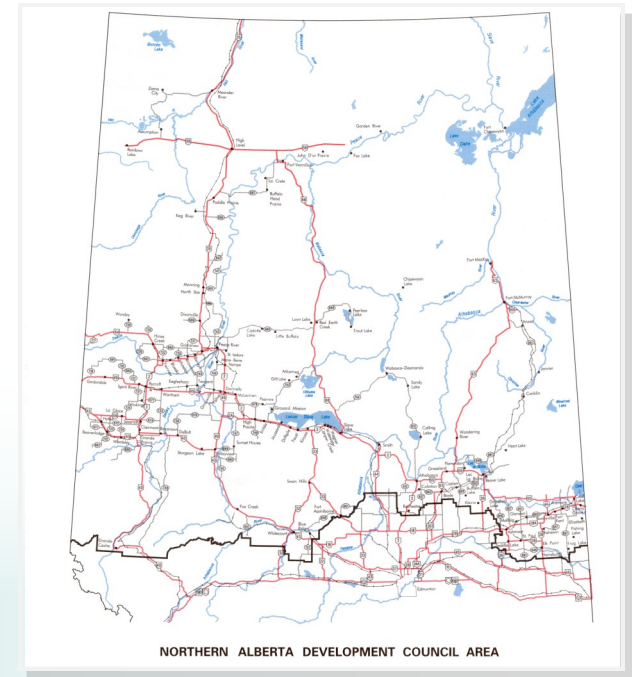

Non-voting members serve in an advisory capacity and include:

Water/wastewater commissions and professionals, Provincial/Federal Government, Rural Water Co-ops, Owners and Operators.

The Coalition meets four times annually in rotating locations across the north.

Guiding Principles:

1. Share information on water and wastewater regulations and responsibilities
2. Work collaboratively with members and partners
3. Identify emergent workforce needs
4. Advocate for “made in the north” solutions and funding for training, education, recruitment and retention, succession planning for municipal water/wastewater personnel

NADC Boundary Map

The WNC is supported administratively by the Northern Alberta Development Council, a provincial advisory body mandated to advance the development of the north.

The coalition is inclusive of the NADC region.
